**REQUIREMENTS SUBMISSION SCHEDULES FOR ENERGY COMMODITIES
AND RELATED SERVICES
(Supplementation is prohibited.)**

A. REFERENCES

1. DESC I 4220.1, Requirements Submission Schedules for Energy Commodities and Related Services, June 25, 2001, superseded.
2. DoD 4140.25-M, DoD Management of Bulk Petroleum Products, Natural Gas, and Coal, June 22, 1994.
3. DoD Directive 3230.3, DoD Support for Commercial Space Launch Activities, October 14, 1986.

B. PURPOSE. This instruction:

1. Supersedes reference A1.
2. Establishes guidance for the submission of requirements for energy commodities (e.g., petroleum products, coal, natural gas, missile fuels, etc.) and related services via a numerical identification system.

C. APPLICABILITY AND SCOPE. This instruction applies to HQ DESC, DESC Field Activities (Regions/Field Offices), the Military Services, and Federal Agencies.

D. DEFINITION. (Reserved for future use.)

E. PROCEDURE. Requirements for energy commodities and commercial services will be submitted in accordance with the schedules contained herein.

F. RESPONSIBILITIES

1. DESC Field Activities, Service Control Points (SCPs), and Federal Agencies shall submit requirements for petroleum and coal products in accordance with enclosures 1 and 2, respectively, and pursuant to guidance provided in DoD 4140.25-M, volume II.
2. The Military Services and DESC Field Activities shall submit requirements for terminal, environmental, and engineering commercial services to DESC-F; commercial product testing services, fee-for-service laboratory services, and quality resolution service requests to DESC-BQ; product technology research and development service requests to DESC-BP. The Military Services' requests will be submitted to the designated DESC office specified in enclosure 3 and pursuant to the guidance provided in DoD 4140.25-M, volume II. Miscellaneous transportation service requests will be submitted to DESC-BID in accordance with enclosure 3.

3. The Military Services' Central Technical Program Management Office shall submit natural gas requirements to DESC-A in accordance with enclosure 4 and pursuant to guidance provided in DoD 4140.25-M, volume III.

4. The Military Services and Federal Agencies shall submit missile fuel requirements to DESC-M, located at Lackland AFB, San Antonio, Texas, in accordance with enclosure 5 and pursuant to guidance provided in DoD 4140.25-M, volume II. In addition, commercial contractors authorized to buy missile fuel propellants (listed as "Launch Property") in accordance with DoD Directive 3230.3, which implements the Commercial Space Launch Act, Public Law 98-575 should also provide their requirements to DESC-M.

5. DESC CBU's (DESC-A/B/F/M/P) shall:

- a. Implement and maintain their respective purchase programs identified in this instruction.
- b. Follow-up on delinquent requirements submissions.
- c. Prepare basic purchase program requirements within 30 days after validation by the Military Services, Federal Agencies, and DESC Field Activities. Not applicable to DESC-F/BQ.
- d. Include the applicable purchase program number on all contractual award messages, contracts, and contract modifications.

6. The Director, Resources Management (DESC-R), shall review purchase requests requiring funding by DESC.

G. EFFECTIVE DATE. This publication is effective immediately.

H. INFORMATION REQUIREMENTS. (Reserved for future use.)
